SHANTOU UPI METAL PRODUCTS CO., LTD.

Welcome to Upi, a leading factory located in Guangdong, China's manufacturing hub. Since our establishment in 2002, we have been committed to continuous development. Today, our services encompass Stamping, Sheet Metal fabrication, CNC machining, and Die Casting.

Our team of experienced engineers is at your service, ready to provide you with rapid, free design and optimized solutions for your Metal Parts and Metal Products. We pride ourselves on our cutting-edge technology development, production, and quality control capabilities, ensuring you receive exceptional metal part Customization services and OEM and ODM services for metal products.

ABOUT

STAMPING

We founded our factory in 2002,
focused on stamping production.

CAPABILITIES

SHEET METAL Blechbiegen

In 2010, we expanded sheet metal
manufacturing capabilities.

CAPABILITIES

SHEET METAL Laser Cutting

In 2010, we expanded sheet metal
manufacturing capabilities.

CAPABILITIES

SHEET METAL Welding

In 2010, we expanded sheet metal
manufacturing capabilities.

CAPABILITIES

CNC

Expanding our reach in advanced manufacturing, we established a CNC production department in 2013.

CAPABILITIES

DIE CASTING

In 2014, we acquired die casting equipment and increased the die casting department.

CAPABILITIES

MOLD

Our mold department offers comprehensive design and manufacturing services for both stamping dies and die casting molds.

CAPABILITIES

Vickers Hardness Tester.
Rockwell Hardness Tester.
Coordinate Measuring Machine.
Vision Measuring Machine.
Surface Roughness Tester.
Run-Out Instrumen.
Color Difference Meter, etc.

RoHS REACH CE FDA

BICYCLE

Modification Accessories

MTB

Material: Aluminum Alloy.
Process: CNC | Extrusion | Forging.
Surface: Anodized.
Color: Customized.

Pedelec

Material: Aluminum Alloy.
Process: CNC | Extrusion | Forging.
Surface: Anodized.
Color: Customized.

MTB Disc Brake

Material: Aluminum Alloy.
Process: Laser Cutting | CNC.
Surface: Anodized | PVD.
Color: Customized.

Foldable Bicycle

Material: Aluminum Alloy|Stainless steel.
Process: CNC | Extrusion.
Surface: Anodized | PVD | Electrolysis.
Color: Customized.

METAL PARTS SOLUTIONS

FISHING REEL

Fishing Reel

Material: Aluminum Alloy | Titanium alloy.
Process: CNC | Extrusion | Forging.
Surface: Anodized | PVD.
Color: Customized.

Swing Arm

Material: Aluminum Alloy | Titanium alloy | Carbon Fiber.
Process: CNC | Extrusion | Forging.
Surface: Anodized | PVD.
Color: Customized.

Fishing Line Spool

Material: Aluminum Alloy | Stainless steel.
Process: CNC | Extrusion | Forging.
Surface: Anodized | PVD.
Color: Customized.

Balancing Pole

Material: Aluminum Alloy | Titanium alloy.
Process: CNC | Extrusion | Forging.
Surface: Anodized | PVD.
Color: Customized.

METAL PARTS SOLUTIONS

AUDIO EQUIPMENT

HIFI SOCKET PANEL

Material: Aluminum Alloy | Copper.
 Process: CNC.
 Surface: Anodized | Mirror Polished.
 Color: Customized.

SPEAKER GRILLE

Material: Aluminum Alloy | SPCC |
 Stainless Steel.
 Process: Stamping | Etching.
 Surface: Electroplating | Spray Painting |
 Powder Coating | Anodizing |
 Pad Printing.
 Color: Customized.

ROTARY KNOB

Material: Aluminum Alloy | Stainless Steel.
 Process: CNC.
 Surface: Anodized | Electroplating.
 Color: Customized.

METAL PARTS SOLUTIONS

SMOKING

HOOKAH

Material: Stainless Steel.
Process: CNC.
Surface: Electrolysis | PVD.
Color: Customized.

DRY HERB VAPORIZERS

Material: Zinc Alloy.
Process: Die Casting.
Surface: PVD.
Color: Customized.

E-CIGARETTE

Material: Aluminum Alloy.
Process: Aluminum Extrusion | CNC.
Surface: Anodizing | Spray Painting.
Color: Customized.

METAL PARTS SOLUTIONS

COFFEE MACHINE

Coffee Bean Grinder

Material: Stainless Steel.
 Process: CNC.
 Surface: Electrolysis | PVD
 Color: Customized.

Coffee Capsules

Material: Stainless Steel.
 Process: CNC.
 Surface: Electrolysis | PVD.
 Color: Customized.

Coffee Machine

Material: Stainless Steel | Aluminum.
 Process: Precision casting | CNC | Stamping | Welding.
 Surface: Electrolysis | PVD | Polished | Anodized.
 Color: Customize.

METAL PARTS SOLUTIONS

ALUMINUM SHELL

Material: Aluminum Alloy.
Process: Extrusion | CNC.
Surface: Anodized.
Color: Customized.

METAL PARTS SOLUTIONS

PRECISION PARTS

Mechanical & Medical Equipment Parts

PRECISION PARTS

Material: Stainless Steel.
 Process: CNC.
 Surface: Electrolysis | PVD.
 Color: Customized.

LEAD SCREW & NUT

Material: Stainless Steel | Copper.
 Process: Thread Rolling Process | CNC.
 Surface: Electrolysis.
 Color: Customized.

METAL PARTS SOLUTIONS

COFFEE BREWING TOOLS

COFFEE DISTRIBUTOR

PORTAFILTER HANDLES

COFFEE CAPSULE

COFFEE GRINDER

Leveraging our extensive metalworking expertise, Upi delivers exceptional OEM and ODM services for coffee brewing tools. Our unrivaled craftsmanship and design expertise ensure the finest coffee brewing experiences.

METAL PRODUCTS SOLUTIONS

OFF-ROAD VEHICLE

LED LIGHT BAR MOUNTING BRACKET

LICENSE PLATE HOLDER

MATERIAL: ALUMINUM ALLOY | SPCC | STAINLESS STEEL.
 PROCESS: LASER CUTTING | SHEET METAL | WELDING.
 SURFACE: ELECTROPHORESIS | ANODIZING | SPRAY PAINTING | POWDER COATING.
 COLOR: CUSTOMIZED.

METAL PRODUCTS SOLUTIONS

E-DEVICE STANDS

OEM and ODM services for high-quality E-Device Stands.

PHONE STANDS

TABLET STANDS

Impeccably crafted stands: Where function meets style.

Cater to a wide range of devices and usage scenarios.

LAPTOP STANDS

METAL PRODUCTS SOLUTIONS

CHASSIS

Upi's sheet metal and CNC divisions collaborate seamlessly to deliver expertly crafted metal enclosures for your digital products. From audio equipment to computer servers and industrial control systems, we offer the perfect solution to meet your specific needs.

METAL PRODUCTS SOLUTIONS

HOOKAH

At Upi, we bring years of experience in designing and manufacturing hookah metal parts. Our expertise in metalworking and robust supply chain enable us to offer one-stop OEM and ODM services for customized Hookah Set.

METAL PRODUCTS SOLUTIONS

TOGETHER

LET'S WORK TOGETHER TO CREATE SOMETHING GREAT.

OUR STRENGTHS

ONE-STOP SERVICE

In addition to the machining of metal parts, we also offer sub-assembly services or delivery of finished products.

FLEXIBLE METAL PRODUCTION

We boast multiple production departments equipped with diverse metal manufacturing capabilities.

EXPERIENCED

We have over 20 years of experience in precision metalworking.

QUICK QUOTE

Upon receiving your complete customization requirements, we will provide a quote within 24 hours.

FAQ

Q: What information do I need to request a quote from Upi?

A: CAD drawings | Material | Hardness | Surface treatment | Tolerances | Quality Standards | Quantity.

Q: Samples free of charge?

A: 1. Ready-made samples that meet the requirements, they are free of charge, but shipping costs apply.

2. For customized samples, we charge for the sample and shipping costs and refund the sample cost when you place your order.

Q: What is Upi's quotation method?

A: We usually provide quotes based on EXW, FOB, CIF, DDU and DDP terms.

Q: How long is the quotation lead time for Upi?

A: 24~48hours.

Q: What is the production time for my order?

A: We will provide an estimated production lead time in the quotation.

Q: How does Upi guarantee quality?

A: We possess multiple measuring devices to fulfill the dimension and performance testing requirements of our products.

Q: What after-sales service does Upi offer?

A: If there are quality issues with our parts or products, we promise to provide free rework, exchange, or refund for returned goods.

Q: How does Upi protect trade secrets?

A: We rigorously uphold the terms of the confidentiality agreement, and any breaches will result in legal consequences.

Q: How can I verify Upi's reliability?

A: We welcome you to visit our factory.
